WOMEN IN BIG DATA RETREAT

CODING. CAREER. COMMUNITY.

April 5th – 8th, 2020

Would you like to improve your coding skills, learn about big data applications, career opportunities & meet a community of like-minded women?

Join us for a three-day retreat in the Swiss mountains with:

#coding workshops #inspiring talks #group hacking #career development #networking #yoga #mindfulness

Who are you?

- Female PhD student or early career Post Doc at a Swiss University
- Basic experience with big data in the social sciences or in another quantitative discipline
- Curious and open-minded
